

# Discussion Topics

- A. What improvements to LWA facilities do people want?
  - Cluster upgrade?
- B. Are there new capabilities people would like to have?
  - 1) At LWA-SV
  - 2) For the Swarm
  - 3) OVRO-LWA
- C. Would you rather have 4 frequency agile beams or 4 beams all at the same frequency? (4 agile beams will cost 25% more in constr + ops)
- D. How do we strengthen this community?
- E. How do we get the Swarm launched?
- F. Where else should LWA go – Japan? Australia? Moon?
- G. Anything else?
